Southern Electric - 0800 980 8476 or 0345 076 7638

<http://www.southern-electric.co.uk/>

Running out of Pay As You Go credit, If you have a prepayment meter and you run out of credit, don't panic. We'll lend you £5 emergency credit until you get chance to top up. You can only use your emergency credit once your pre-paid credit is at or is below 50p. When you want to use your emergency credit, insert your key into the meter. When using your emergency credit, the display on your meter changes to show the letter 'e'. It'll also show the amount of emergency credit left.

United Utilities - 0800 980 6050
